JUDGMENT

Koshy,J.

This is a petition for police protection. We are not expressing any opinion regarding the civil disputes between the parties. If petitioners have got a decree in their favour, it has to be executed through civil court. If there is violation of decree, they can also file a petition for violation of the injunction order. This court cannot be treated as an executing court of Munsiff's Court. We see no ground to express any observation regarding the merits of the civil disputes especially because appeal period is not over. However, police is directed to see that law and order is maintained and lives of both parties are not endangered.

The writ petition is disposed of accordingly.
